## Did You Know?

The tower offers a long list of amenities to make your life easier and more convenient – like garage parking, a car wash and a connected subway tunnel that keeps you from having to venture outside.

Looking for a space in the garage? SP Plus Parking has parking leases available. For pricing, information and to secure your spot, contact SP Plus Parking at 412-258-3560.

During the winter months, when it's miserable outside and salt is dulling your car's paint and eroding its finish, why not take advantage of the tower's car wash and automotive detailing service, provided by EJ's Car Wash and Automotive Detailing, located on the red level in the garage?

You can reach EJ's at 412-690-0701 or 412-491-2168.

Watch for more tower amenities in the coming months.

## Holiday Hours

600 Grant Street will operate under a holiday schedule on Wednesday, December 25th, and Wednesday, January 1st. This means that lighting and HVAC will not be on unless requested. The building will operate on its regular schedule all other days during the holiday season.

Daytime housekeeping employees will not work on December 25th or January 1st, meaning no daylight housekeeping or evening cleaning on those days. The housekeeping team will return to its normal nighttime schedule on Thursday, December 26th, and Thursday, January 2nd.

Should you require overtime services, please submit your request through Workspeed or call 412-553-8800 before 12 noon on Monday, December 23rd, and Monday, December 30th.
