# Tower Notes

## SULLIVAN'S STEAKHOUSE

Just in time for your holiday celebrations, Sullivan's Steakhouse is coming to the tower. You can look forward to hand-cut steaks, fresh seafood, signature cocktails and exceptional service. Rooted in the rich tradition of classic steakhouses with a lively twist, this one-of-a-kind steakhouse will transport you to another place and time. Watch the newsletter for updates.

## Business-Wide E-Cycling

Evolution E-Cycling is coming back to the tower.

On Thursday, September 23rd (floors 31-62) and Friday, September 24th (floors 30 and down), Evolution E-Cycling will visit the tower to collect old computers and electronic devices for safe, convenient and legal e-cycling. Simply bring your items to your floor's service corridor by 11 am on your pickup day and be sure to label your items with your company name and suite number.

Evolution E-Cycling will be accepting IT, audio and telecom equipment. TVs or old-style CRT monitors will not be accepted. For questions, call Evolution E-Cycling at 412.787.1616 or email [jmetz@evolutionecycling.com](mailto:jmetz@evolutionecycling.com).
