Tower Notes

SEASON'S GREETINGS

In the spirit of the season, Winthrop Management is proud to make a donation on behalf of our tenants to Operation Troop Appreciation and also to the Greater Pittsburgh Community Food Bank. We are forever grateful for the service of our troops and mindful of the critical role our community food bank plays in increasing food stability and stabilizing lives.

To all of our tenants and those you hold dear, best wishes for a happy and healthy holiday season.

Soulful Sounds

Jazz pianist, composer and producer Rick Gallagher has been a part of the Pittsburgh music scene since the late 1980s – and U.S. Steel Tower since 1995. Now the tower's spotlight pianist is back for the holidays, playing his classic jazz tunes in the lobby Tuesdays through Thursdays at lunchtime.

Recently, Rick has been recording solo felt piano in his home studio in Pittsburgh. This series of recordings is titled "Upright Sketches." The latest edition, "Winter Carols," features the classic winter folk melodies of Ireland, France, Germany and others all recorded in an intimate, warm solo felt piano. The new 17-song holiday collection, which embraces elements of the deep mystery of faith through folk, Celtic, and contemporary influenced arrangements, offers a unique voice amidst mainstream Christmas releases.

To learn more about Rick and his latest release, visit rickgallagher.com or stop by the lobby for a mesmerizing lunchtime experience.

You can follow Rick on [Facebook](#) and [Instagram](#).

Building Holiday Hours

The building will operate under a holiday schedule on Friday, December 24th and Friday, December 31st. This means that lighting and HVAC will not be on unless requested. The building will operate on its regular schedule all other days during the holiday season.

Daytime housekeeping employees will not work on Friday, December 24th or 31st, meaning no daylight housekeeping or evening cleaning on those days. The housekeeping team will return to its normal schedule on Monday, December 27th and January 3rd.

Should you require overtime services, please submit your request through Workspeed or call 412.553.8800 before 12 noon on Thursday, December 23rd, and Thursday, December 30th.
