Chill at Our Summer Beer Garden

Did you catch the Steel Garden's grand opening last week?

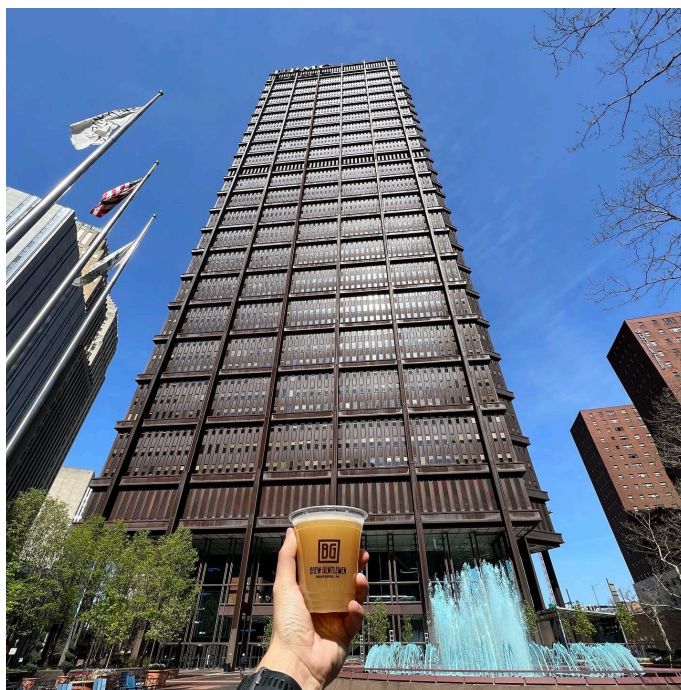

We've created a beer garden on the plaza with the help of Pittsburgh favorite, Brew Gentlemen.

Join us on the plaza Tuesdays through Saturdays from 3 pm to 8 pm for music, corn hole, beach balls, food trucks, and of course – beer, including Brew Gentlemen's flagship, General Braddock's, along with a variety of summer beers, easy-drinking lagers, and berry sangria. You can also expect to see some local artists and vendors.

Whether you're hanging out for a beer after work or spending a Saturday afternoon with friends, it's a great way to have fun, relax and enjoy the plaza in a different light.

Rethink Your Next Meeting

Could you use a little break from the office – some creative space to come up with your next big idea or solve a business challenge? Check out the new outdoor conference rooms located on the plaza. Three semi-private shaded spaces are ideal for small meetings of two to ten people and are available to the public free of charge. But plan ahead – reservations are required.

For more information about the "Office Retreat on Grant Street" and how to reserve an outdoor conference room, visit the Pittsburgh Downtown Partnership [site here](#).

Food Trucks

They're back – every Tuesday and Thursday on the plaza.
Check out this month's schedule.

Coming Soon! Get Charged Faster

We know more and more of you are driving electric vehicles, and we think that's great. In fact, this summer, SP Plus will be replacing the current charging stations with rapid chargers. Watch for more information coming soon.

A New Look

You may have noticed a few changes in the Upper Lobby, like the piano moving over to the Bigelow side. We've begun renovating the north side of the Upper Lobby for a similar look and feel to the rest of the space. You can look forward to new carpeting, new tables and seating as well as new lighting. Stay tuned for project updates.
