E-Cycling is Back

Save the date for a building-wide recycling event here at the tower. Evolution E-cycling will be in the building Wednesday, September 21st (floors 31 – 62) and Thursday, September 22nd (floors 30 and down), to collect old computers and electronic devices for safe, convenient and legal e-cycling. Simply bring your items to your floor's service corridor by 11 am on your pickup day, and be sure to label your items with your company name and suite number.

Evolution E-Cycling will be accepting IT, audio and telecom equipment. TVs or old-style CRT monitors will not be accepted. For questions, call Evolution E-Cycling at 412.787.1616 or email at jmetz@evolutionecycling.com.
