

OCTOBER 2024

Tower Notes

Get the U.S. Steel Tower App on Your Desktop

The U.S. Steel Tower App is now available in a desktop version, putting everything you need to know about the building and upcoming events as close as your workstation. For your mobile device, download the app at the App Store or Google Play. For the desktop version, use this link: ussteeltower.hqo.com. Sign up via the link or log into your existing account using the same credentials as your mobile app.

It's Not Too Late to Donate

You can still donate to the Hearts of Steel team and place a ribbon in the picture frames in the Upper Lobby. Featured in last month's Tower Notes, Hearts of Steel is a nonprofit organization that raises awareness of breast cancer through the sport of dragon boat racing.

Care to challenge one of the members of the Pittsburgh Hearts of Steel team? Stop by the Upper Lobby between 11 am and 1 pm on October 3rd and try your rowing skills against one of the team members. You could win a great prize, and SteelFit will donate to the Hearts of Steel team on behalf of all participants.

Power Shutdown

Beginning at 11 pm on Saturday, October 26th, the tower will be closed for semi-annual testing and maintenance of major systems including electrical, mechanical, elevators, fire and life safety. Please turn off all electrical equipment that could experience damage if power is disconnected, such as computers, coffee makers and copiers.

The building is scheduled to reopen at 11 am on Sunday, October 27th, once power is restored.

Facebook

Don't forget to Like and Follow the U. S. Steel Tower's Facebook page and enter to win eight tickets to BOLD Escape Rooms. The winner will be announced on October 25th on our Facebook page.
