Tower Notes

The Tower's Piano Man

For more than 20 years, pianist Rick Gallagher has been filling the tower's lobby with his signature warmth and style. His soulful sounds have become a midday tradition, offering tenants a welcome pause in their day.

In August, the Pittsburgh-born jazz pianist, composer, educator and producer released his latest album, *Felt Sessions #1*. The first in a planned series, the album blends the nostalgic sound of a traditional jazz trio with the soft, felt tones of a modern upright piano.

Mums for a Cure

Celebrate fall and make an impact at American Cancer Society's Mums for a Cure event on Wednesday, September 17th, from 11:30 am to 1 pm on the plaza. The event is sponsored by Winthrop Management.

Purchase a 9-inch pot for \$12 or two for \$20 — cash or Venmo accepted. Come early; supplies are limited. Every dollar goes to the American Cancer Society to fund breast cancer research, while additionally contributing to Zack Johnston's efforts to raise awareness and funding as an ambassador for the Men Wear Pink initiative. Zack, Winthrop's Director of Engineering, is dedicating his efforts in memory of Joe Hajek, an engineer at the tower who passed away last year.

Thanks to the generosity of tower tenants, Zack has raised more than \$3,000 for American Cancer Society.
